# May Life & Arts Festival

The Kelowna Life and Arts Festival was held from May 11th-13th, in Kelowna's downtown Cultural District.

The cultural district was lined with vendors offering free face painting, massage and wire art. Clothing, art, jewelry and a variety of food could also be found at the festival.

Art workshops, musical performances, kids activities and demonstrations took place over the festival weekend.

During the festival weekend, the Kelowna Art Gallery put on a number of workshops for children of all ages including wire design and mural painting. The Kelowna Art Gallery also exhibited a variety of art work from SD#23 middle and high school students at this time. Beautiful art work. Congratulations to everyone!

## June Activity Int. Ed. Picnic

This June 3rd the Int. Ed. Picnic was held at Bertram Creek Park at Okanagan Lake.

The weekend proved to be very warm, with the temperature rising to over 30 degrees. Instead of playing Bocce ball the Lawrence's along with ChanWool and Elizabeth Baerg's children chose instead to relax on the beach building sandcastles and cooling off in Okanagan
